

1	Click above the 1 <sup>st</sup> column to select the whole column. Click on <b>Format</b> .	
2	Select <b>Text Direction</b> . Click on the <b>Text</b> that is right aligned (the top of the letters are at the center of the table).	
3	Repeat for the 2 <sup>nd</sup> column. Click on the <b>Text</b> that is left aligned (the top of the letters are at the center of the table).	

4	<p><b>Save.</b>  <b>Print.</b>  <b>Cut</b> around the outside lines of the table.</p>	
5	<p>Fold in half with 2x2 pages on one side and 2x2 pages on the other side.</p>	
10	<p>Cut from the fold to the first cross line.</p>	
11	<p>Open all folds.</p>	

12	Fold in half with 1x4 pages on one side and 1x4 pages on the other (along the line you've just cut).	
13	Fold 1 page over so the cover is on the top.	
14	Fold the other side over to meet the cover in the middle.	

15	Push the 2 outside sections towards each other. Watch the center create a long diamond shape.	
16	Fold the cover and last pages over to form the book.
